**NOTICE OF ALLEY RESURFACING PROJECT  
BETWEEN DOMER AVE AND GREENWOOD AVE**

Dear Resident:

This letter is to inform you of the upcoming alleyway improvement project in your community. The Montgomery County Department of Transportation's (MCDOT) Division of Highway Services (DHS) will be managing the project, which will consist of removing the existing concrete pavement and replacing it with hot mix asphalt (HMA) overlay.

The work will be performed under contract by D & F Construction Co., Inc. and will include: Excavating the existing, deteriorating concrete surface, performing full-depth base repair patching, and then paving the entire alleyway with HMA. This work will be performed in the alleyway behind the shopping center at 8500 Piney Branch Road. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the paving takes place and/or during construction activities.

This project will begin in early June 2015 and will require approximately two weeks to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. Parking will be restricted within the work zone during daily construction activities. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact the MCDOT Project Manager, Mr. John Birton, at 240-777-7616 or Josh Faust, Public Outreach Manager for the Division of Highway Services, at 240-777-7642.

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

John Birton  
Project Manager
